A SIMPLE & INTUITIVE MANAGEMENT SOLUTION

- ▶ **INNOVATIVE SOFTWARE** to meet your expectations
- ▶ **A FLEXIBLE TOOL** developed in partnership with cinema exhibitors and designed for cinema owners
- ▶ **STATE-OF-THE-ART EQUIPMENT** tailored to your needs
- ▶ **INTERACTIVE KIOSKS** to improve the experience for your customers and optimize smooth operation during peak times
- ▶ **RECOGNIZED QUALITY OF SERVICE** with dedicated programming and support teams

WHY CHOOSE CINÉ OFFICE ?

- A unique solution to run all management duties of a movie theater.
- A cloud based & secure solution combined with a SaaS business model : no CAPEX investment (no server and no software license to buy).
- A simple hardware installation with the possibility to use existing POS equipment.
- Software can be used on different devices connected to the internet (laptop, tablet, ...).
- A solution ready and compatible with online sales.

A WORLD OF AMAZING FEATURES AT YOUR FINGERTIPS

BOX OFFICE

Manage sales in just a few clicks, using a unique, intuitive and ergonomic interface.

CONCESSIONS

Manage products, drinks and menus with ease.

ONLINE SALES

Enter the era of online bookings & sales using our platform or your own website.

INVENTORY MANAGEMENT

Monitor and manage the flow of goods (inputs, outputs, purchase orders, deliveries, etc.).

LOYALTY

Manage loyalty programs and cards. Input and animate a customer database.

BUSINESS MANAGEMENT

Follow daily quotes and invoices with ease.

ACCOUNTINGS

Synchronize all your sales (box office, concessions, rental, etc.) with your existing accounting software.

HUMAN RESOURCES

Easily manage the schedule, holidays and expenses of your employees.

STATISTICS

Measure and evaluate detailed figures to maximize your return on investment.

INTERACTIVE KIOSK

Regulate and optimize flows and maximise profits by deploying kiosks in your lobby.
